Visitors

Richard Boland, Diane Boland

Public Comment

Three new businesses in town in the Coarsegold Village

Hiring a landscape architect/graphic designer or company to create a plan to beautify Coarsegold from Casino to all the way into downtown. Fresno State students contributing towards project. Possibly looking into grants, hiring grant writers and submitting a grant to the Chukchansi Casino. Potentially hiring marketing company/individuals for to promote and marketing the community of Coarsegold.

Proposal of forming a beatification of Coarsegold committee.
